Summary of purpose and/or changes:

LB 519 would have amended the levy limits, section 77-3442, to allow second class cities and villages to levy five additional cents. The limit for these cities would have been 50 cents per \$100 of taxable value, plus five additional cents for interlocal agreements instead of the current 45 cents plus five cents for interlocal agreements. The bill carried the emergency clause.

Explanation of amendments, if any:

Senator David Landis, Chairperson
